QUALIFICATIONS

| | |
|-----------------------------------|--|
| Diploma in Podiatric Medicine | Qualified Chelsea School of Chiropody (July 1983) |
| State Registration | July 1983 |
| City & Guild Teaching Certificate | The Polytechnic of Central London (July 1984) |
| Ankle Block Anaesthesia | Validated by the Society of Chiropodists (August 1985) |
| IRMER | Homerton University Hospital (Dec 2013) |
| BSc (Hon's) 1st Class | The Polytechnic of Central London (May 1990) |
| Membership of the Podiatry Ass. | Manchester University (December 1991) |
| Fellowship of the Podiatry Ass. | Northampton General Hospital (July 1993) |
| Advanced Life Support | Homerton University Hospital (Mar 2003) |
| Fellowship Pod med | SCP, June 2008 |
| RFU Level 1 coaching | Upminster, April 2009 |
| ILS | Spire Hartswood Hospital – July 2016 |
| Cannulation | Homerton University Hospital (June 2010) |
| Good Clinical Practice | Ashford & St Peter's NHS Trust – web based (Nov 2011) |

CAREER OUTLINE

Since October 2003 I have been employed as a Consultant Podiatric Surgeon at Homerton University Hospital and have been the clinical lead for the Department of Podiatric Medicine & Surgery since January 2014.

| | |
|----------------------|---|
| July 1983 - Nov 1985 | Senior II Chiropodist Tower Hamlets H.A. |
| Nov 1985 - Dec 1988 | Senior I Chiropodist Tower Hamlets H.A. |
| Dec 1988 - Nov 1989 | Chief IV Chiropodist Tower Hamlets H.A. |
| Nov 1989 - Feb 1991 | Chief IV Chiropodist City and Hackney H.A. |
| Feb 1991 - Jan 1994 | Chief III Chiropodist City and Hackney H.A. |
| Jan 1994 - Nov 1997 | Specialist in Podiatric Surgery City & Hackney H.A. |
| Jul 1998 – Sep 1999 | Acting Head of Service, City & Hackney H.A. |
| Nov 1997 – Sep 2003 | Consultant Podiatrist, City & Hackney H.A. |
| Oct 2003 – to date | Consultant Podiatric Surgeon, Homerton University Hospital |
| Jan 2014 – to date | Clinical Lead, Department of Podiatry, Homerton University Hospital |
| Sep 1985 - Mar 1998 | Visiting Lecturer, The Division of Podiatric Medicine, University of Westminster |
| Oct 1989 – Sept 1998 | Consultant Podiatrist to Leyton Orient Football Club |
| Nov 1989 - to date | Part time Private Practice |
| Apr 1992 - 2002 | Consultant Podiatrist to West Ham United Football Club |
| Apr 1993 – 2002 | Consultant Podiatrist to Chelsea Football Club |
| Jul 2005 – Dec 2008 | Consultant Podiatrist to Chelsea Football Club |
| Sep 1994 - 2000 | Lecturer for AOL Seminar circuit |
| Mar 1997 - 2002 | Visiting lecturer, Dept. Podiatry, University of Southampton |
| 2011 - 2012 | Clinical lead, Podiatry, London Olympic Games 10 days clinical input at London Olympic Games |

| | |
|--------------------|---|
| 2014 – to date | Vionic Innovation lab member |
| May 2015 - to date | Senior Clinical Lecturer, QMUL |
| | Combined course lead; Dipoma in Podiatric Sports Medicine |
| Nov 2015 – to date | Honorary Visiting Senior Clinical Fellow, UEL |

FURTHER SURGICAL TRAINING

I have undertaken numerous surgical training courses since 1993. The core training includes:

| | | |
|-----------|------|---|
| April | 1993 | Mini-Residency training, Foot and Ankle Surgery 250 hours, Continuing Medical Education, Northwest Podiatric Foundation, Seattle, USA |
| October | 1993 | Endoscopic Plantar Fasciotomy, World Podiatry Congress CO ₂ Laser Surgery, World Podiatry Congress |
| February | 1994 | Mini-Residency training, Foot & Ankle Surgery, 125 Hours, Continuing Medical Education, Northwest Podiatric Foundation, Seattle USA |
| October | 1994 | Ankle arthroscopy, Podiatry Association Annual Conference |
| October | 1994 | British Orthopaedic Foot Surgery Society Conference |
| February | 1995 | Residency attachment (2 wks), Dept. of Podiatry, University of Texas, San Antonio, USA |
| January | 1996 | Residency attachment (2 wks), Dept. of Podiatry, Kaiser program, San Francisco, USA |
| February | 1997 | Residency attachment (1 wk), Dept. of Podiatry, Washington Hospital Center, USA |
| December | 1997 | Residency attachment (1 wk), Dept. of Podiatry, University of Texas, San Antonio, USA |
| June | 1998 | Flat Foot Surgery, 1 day, London |
| September | 1998 | Fellows Conference, 2 days, Oxford University |
| October | 1998 | Reconstructive Surgery of the Foot, 3 days, Frankfurt (European Orthopaedic Association) |
| December | 1998 | Mid and rearfoot fusions, 1 day, London |
| May | 1999 | Surgery of the Adult Foot & Ankle, RNOH (2 days) |
| September | 1999 | Fellows Conference, 3 days, Cambridge University |
| Feb | 2000 | Advanced Internal fixation techniques (1 day) |
| September | 2000 | Fellows Conference, 3 days, University of Warwick |
| February | 2001 | Foot & Ankle Surgery, 3 ½ days, ACFAS, New Orleans, USA |
| October | 2001 | Fellows Conference, 2 days, University of Warwick |
| March | 2002 | Osteotech Surgical seminar (3 days), Loughborough |
| Sept. | 2002 | Foot & Ankle surgery, Royal College of Surgeons (2 days) |
| October | 2002 | Fellows Conference, 2 days, University of Warwick |
| March | 2003 | Osteotech Surgical seminar (3 days), Belton Woods |
| March | 2004 | Osteotech Surgical seminar (3 days), Belton Woods |
| May | 2004 | Surgical cadaver dissection course, Lubek, Germany (2 days) |
| March | 2005 | Osteotech Surgical seminar (2 1/2 days), Belton Woods |
| May | 2005 | Surgical cadaver dissection course, Lubek, Germany (2 days) |
| March | 2006 | Osteotech Surgical seminar (2 1/2 days), Belton Woods |
| Jan | 2007 | Foot Surgery course, RCS Edin (2 days) |
| March | 2007 | Osteotech Surgical seminar (2 1/2 days), Cambridge |
| May | 2007 | Surgical cadaver dissection course, Lubek, Germany (2 days) |
| Nov | 2007 | 5 day visit, Dr Viegas, Chicago, USA |
| Mar | 2008 | Osteotech Surgical seminar (2 1/2 days), Belton Woods |
| Mar | 2009 | Osteotech Surgical seminar (2 1/2 days), Belton Woods |
| April | 2009 | Subtalar arthrodesis workshop, (1 day), RCS, London |
| May | 2010 | Minimal incision surgery & Arthroscopy, GRECMIP, Paris (3 days) |
| Mar | 2011 | MIS practical, Amiens, France (1 day) |
| Mar | 2014 | Advanced cadaver surgery course, Warwick (1 day) |
| Mar | 2014 | Faculty of Podiatric Surgery Conference (2.5 days) |
| Mar | 2015 | Advanced cadaver surgery course, Warwick (1 day) |
| Mar | 2016 | Directorate of Podiatric Surgery Conference, Coventry (2.5 days) |
| March | 2017 | Directorate of Podiatric Surgery Conference, Coventry (2.5 days) |

POST GRADUATE COURSES

Since 1983 I have attended 200 post-graduate courses and in-service training sessions as part of my Continuous Professional Development. Course subjects have included:

- Biomechanics
- Neurology
- Prosthetics & Orthotics
- Pharmacology
- Sports Injuries
- Radiology of the foot
- Diabetic foot
- Soft tissue injuries
- Podopaediatrics
- Foot surgery

COMMITTEES / BOARDS

| | |
|--------------|--|
| 1990 | CNAA validation for conversion of the chiropody course from diploma to degree - University of Westminster |
| 1990 | CNAA /CVCP validation process for access to higher education, involving a staff and curriculum Development process - University of Westminster |
| 1993 | Setting standards for Day Surgery, St Bartholomew's Hospital |
| 1993-1994 | Member of the Podiatry Association Education Committee |
| 1994-1997 | Editor of The British Journal of Podiatric Medicine & Surgery |
| 1996 | Inaugural meeting of the Podiatric Biomechanics Group |
| 1996-2003 | Editorial Committee, The Society of Chiropractors & Podiatrists (SoCaP) |
| 1997-2007 | Member of council, SoCaP |
| 1997 to date | Editorial advisory board, The Foot |
| 1998-2000 | Public Relations Committee, SoCaP |
| 1998-1999 | National Sports Medicine, Podiatry working party |
| 1998-1998 | Lower back pain steering committee, City & Hackney HA |
| 1999-2007 | Faculty of Podiatric Medicine, SoCaP |
| 1999-2001 | Men's Fitness editorial advisory board |
| 2000-2008 | John Wiley & Sons Diabetes Website editorial advisory Board |
| 2000-2006 | Sport and Exercise Medicine and Science Council member, SoCaP representative |
| 2001 to date | International advisory board, Physical Therapy in Sport |
| 2001-2005 | Core advisory group, SE Diabetes forum |
| 2001-2007 | Chair, Fellowship committee, Faculty of Podiatric Medicine |
| 2003-2007 | Member of Faculty Board of Podiatric Surgery |
| 2004-2007 | Vice Dean, Faculty of Podiatric Surgery |
| 2007-2010 | Dean, Faculty of Podiatric Surgery |
| 2004 | Chair, scientific committee, SCP conference |
| 2005-2009 | Chairman, Epping and District branch, SCP |
| 2007 to date | Vasyli Think Tank, expert panel member |
| 2008 | NHS Clinical Knowledge Summaries reviewer (PF and bunions) |
| 2012-2014 | Homerton University Audit committee |
| 2012-2012 | Faculty of Podiatric Surgery, SCP – Chair working party on title with DoH |
| 2012 to date | Faculty of Podiatric Surgery, SCP – part 1 examiner |
| 2000 to date | Faculty of Podiatric Surgery, SCP – part 2 examiner |
| 2012 - 2014 | AHP Expert advisor MSK, DoH |
| 2017 | Scholl advisory board – Chair, 2 days |

PROFESSIONAL AFFILIATIONS

Health Professions Council Registration

Member of The British Association of Sport and Medicine

Fellow of the College of Podiatry (Surgical), the Society of Chiropractors & Podiatrists

Fellow of the College of Podiatry (Medical), the Society of Chiropractors & Podiatrists
Fellow of the Faculty of Podiatric Medicine, Royal College of Physicians and Surgeons of Glasgow

LECTURES / COURSES PRESENTED

I have given over 200 presentations and run many courses since 1985. Those presented in the last 5 years include:

- 2012 Management of pronation in leg pain, Exercise induced leg pain seminar RCS
- 2012 Sports injuries of the knee UEL 3rd year Podiatry students (2 hours)
- 2012 Foot problems, Homerton University members meeting (2 hours)
- 2012 Sports injuries of the forefoot, Homerton sports med Conference (20 mins)
- 2012 Olympic clinical training (1/2 day)
- 2012 Cuboid dysfunction (30 mins) Sports med conference
- 2012 Gait assessment of the athlete (3 x1 hour workshop), Biomechanics Summer School
- 2012 Biomechanics in sport and inshoe analysis, Mile End Sports Med MSc (3 hours)
- 2013 Hallux Valgus Spire Roding GP course (0.5 hours)
- 2013 Plantar fasciitis Holly House Hospital GP course (0.5 hours)
- 2013 Ultrasound guided LA LSRA (2 hours)
- 2013 Plantar fasciitis Holly House Hospital therapy course (0.5 hours)
- 2013 Sports injuries of the knee UEL 3rd year Podiatry students (2 hours)
- 2013 Prescription of performance footwear Primary Care, Conference (0.5 hours)
- 2013 Biomechanics and gait assessment FA MSc, St George's Park (2 hours)
- 2013 Sports injuries of the foot and ankle London Branch (1.5 hours)
- 2013 Biomechanics & gait, physiotherapy, Homerton Hospital (1 hour)
- 2013 Biomechanics & gait, Sports Med Registrars, UCL, (1 hour)
- 2013 3d gait, Allied Health Professionals, Holly House (1 hour)
- 2014 The evidence base of xray planning for Hallux valgus surgery Ask the experts, Faculty of Podiatric Surgery Conference
- 2014 Plantar Facsiitis, Sport medicine conference, London
- 2014 Ultrasound guided LA LSRA (2 hours)
- 2014 3D gait analysis, COPA Exhibition, Excel, London (2x 1 hour)
- 2104 3D gait analysis, Biomechanics Summer School Manchester (1/2 hour)
- 2014 Biomechanics & Sports injuries, Barcelona (1 day)
- 2014 3d gait analysis, RSM (Firefly biomechanics course (2.5 hours)
- 2014 Advanced biomechanics, University of Belfast (3.5 hours)
- 2014 Surgery & Gait, College of Podiatry Annual conference (15 mins)
- 2015 GP Lecture – keeping patients moving, Holly House (2 hours)
- 2015 Biomechanics and the knee, UEL 3rd yr (3 hours)
- 2015 Biomechanics and gait analysis, University of Barcelona (1 day)
- 2015 Sports injuries & Biomechanics South Essex study day (1 day)
- 2015 Case histories (2 hours), Podiatry MSc UEL
- 2016 The use of gait analysis in sport injuries (1 hour), London Branch
- 2016 Biomechanics and gait analysis (3 hours), UEL 3rd year students
- 2016 Hallux Limitus gait (30 mins), DOPS conference, Coventry
- 2016 How tendons get better, the foot up (10 mins), QMUL, London
- 2016 Biomechanics & gait analysis (4 hour workshops), Melbourne
- 2016 Biomechanics & gait analysis (3 hours) La Trobe University Podiatry students
- 2016 The biomechanical jigsaw puzzle (30 mins),
Advanced gait analysis in clinical practice (30 mins)
APODA State conference Melbourne
- 2016 The use of advanced gait analysis in clinical practice (40 mins)
Scottish Sports & Exercise Medicine Symposium, RCPSG, Glasgow
- 2016 The use of advanced gait analysis in clinical practice (30 mins), Primary Care 2016, Birmingham
- 2016 Current thinking in Podiatric Biomechanics (30 mins), Biomechanical evaluation workshop (1/2 day)
Biomechanics Summer school, Manchester
- 2016 Podiatric Biomechanics (1 hour)
Gait Analysis (1 hour)
Sports injuries of the Foot & Ankle (1 hour)
Plantar heel pain (30 mins)
Football boot structure and function (30 mins)
Clinical assessment and management workshops (13 hours)

- 2016 Vasyli Seminar, Taiwan
Assessment and management of the sports patient (1 day)
York, St John's university
- 2017 Assessment and management of the sports patient (1 day)
Hampshire branch
- 2016 Biomechanics (1 hour)
Scottish First physio conference
- 2016 The effect of footwear on plantar pressures in rowing (20 mins)
SCP Annual Conference
- 2017 Clinical assessment and biomechanics (2 days)
The holly Essex
- 2017 Foot & ankle assessment and pathology (1 day)
- 2017 Foot pathology – GP talk Leyton (1 hour)
- 2017 3D gait analysis, Run 3D London (30 mins)
- 2017 Current thinking in Podiatric Biomechanics
DOPS conference, Coventry (30 mins)
- 2017 Foot pathology and function update (60 mins)
Royal London Hospital Rheumatology Post grad meeting
- 2017 Foot pathology and function update (60 mins)
Alliance of Private Sector practitioners
